PFE CAT CENTER

SCFOA has access to the Cat Center at Pet Food Express in Benicia where cats/kittens can be housed while waiting to find their permanent homes. Jill Phelps is the Coordinator. If you'd like your fosters to be placed in the Cat Center, please contact Jill to be placed on the waiting list. Please make sure that all services have been done prior to contacting her (spay/neuter, up to date on vaccines, tested, microchipped, and rabies shot for kittens over 3 months). We try our best to keep the Cat Center full at all times. During kitten season, the list can be quite long. Please be patient. We can only work through the lists as fast as adoptions happen.

If your foster is accepted to the Cat Center, please be aware that you may be called to pick up the cat/kitten if they become ill, stressed, or are not able to be handled. Even though we have volunteers provide care 2-3 times per day, the Cat Center is not a place to depend on socialization. Ferals and semi-ferals cannot be placed in the Cat Center. This is for the safety of the cat and the Cat Center volunteers.

THANK YOU FOR FOSTERING AND BEING A PART OF OUR VILLAGE! Please reach out to us if you have any questions or problems.
